“Origen takes every opportunity to mention the various senses of sacred Scripture that help or express a way of growth in faith: There is the 'literal' sense, but this hides depths that are not apparent upon a first reading; the second dimension is the 'moral' sense: what we must do as we live the Word; and in the end we have the 'spiritual' sense, the unity of Scripture in its diversity”

Pope Benedict XVI speaking of Origen of Alexandria's deep commitment to Scripture..
